SKILLS

- **Languages:** JavaScript, C, C++ ,
- **Technologies:** HTML, CSS, UIUX design
- **Databases/Tools:** MySQL, MongoDB, Git, GitHub,
- **Soft Skills:** Problem solving, Team collaboration, Time management, Adaptability

PROJECTS

Smart Health Monitoring System | ECE April 2026 - May 2026

- Developed an embedded healthcare monitoring system to track multiple physiological and environmental parameters in real time.
- Integrated MAX30100, LM35, DHT11 and MQ-135 sensors with Arduino UNO for heart rate, SpO₂, temperature, humidity and air-quality monitoring.
- Implemented threshold-based alerts using a 16×2 LCD and buzzer for real-time health and environmental status indication.
- Contributed to sensor integration, hardware-software interfacing, testing and complete project documentation.
- **Tech Stack:** Arduino UNO, Embedded C/C++, MAX30100, LM35, DHT11, MQ-135, 16×2 LCD

DSA Algorithm Virtualizer | github Jan 2026 - Jan 2026

- Developed an interactive web-based visualizer to demonstrate sorting algorithms through step-by-step animations and real-time execution.
- Implemented Bubble Sort, Selection Sort, Insertion Sort and Merge Sort with visualized comparisons, swaps and array movements.
- Added custom array input, allowing users to enter their own values and observe algorithm behavior on personalized data.
- Built interactive controls for play/pause, reset, speed adjustment, random array generation, pseudocode and complexity analysis.
- **Tech Stack:** HTML, CSS, JavaScript, Data Structures & Algorithms

Community development project | Times of India June 2026 - Jul 2026

- Conducted environmental awareness sessions to educate participants about sustainable practices and environmental responsibility.
- Engaged with community members through interactive discussions and awareness activities.
- Successfully registered **250+ participants** as part of the environmental awareness initiative.
- Developed strong communication, public speaking, teamwork and community engagement skills through direct outreach.
- **Skills:** Environmental Awareness, Public Speaking, Communication, Teamwork, Community Engagement

CERTIFICATES

- Ui ux design | [Tutedude](#) Aug 2025
- Community development project | [Times of india](#) Sep 2024
- python | [Saylor academy](#) May 2024

EDUCATION

- **Lovely Professional University** Phagwara, Punjab
• *Bachelor of Technology - Computer Science and Engineering; **CGPA: 8.33*** Aug 2026 - Present
- **Bethel Academy** Delhi
• *Higher Secondary Education; **Percentage: 80*** May 2024 - Mar 2025
- **Tagore Public School** Delhi
• *Secondary Education; **Percentage: 94*** Jun 2022 - Mar 2023
